

Curriculum Vitae and Educational Career

Univ.-Prof. Dr. med. Dr. med. habil. Friedrich Boege

10.12.1959 born in Muenchen, Germany

Pre-University Education

1966-1969 Fundamental schooling in München, Speyer and Cologne (G)

1969-1978 Gymnasium in Cologne (G), Southampton (UK) and Frankfurt/Main (G)

27. Juni 1978 Abitur in Frankfurt/Main (G)

Study of Medicine

11/ 1978 - 7/1981 Study of Medicine (Part I) at University of Wuerzburg, Medical School.

10/1981 4/1983 Doctoral Student at Max-Planck-Institut für Biophysik, Frankfurt/M.
Supervisor: Prof. Dr. K.J. Ullrich

5/1983 - 3/1984 Study of Medicine (Part II) at University of Wuerzburg, Medical School

5/1984 - 5/1985 Study of Medicine (Part III), clinical education in *Surgery, Internal
Medicine* and *Neurology* at University of Wuerzburg, Medical School

6/1985 Passing final Medical Examination at University of Wuerzburg, Medical
School. Approbation as physician.

Doctoral and Post-Doctoral Studies

7/1985 - 2/1987 Doctoral fellow at the Dept. Physiol. Chemistry, Univ. of Wuerzburg,
Medical School (educational stipend of the Fritz-Thyssen-Foundation).
Supervisor: Prof. E.J.M. Helmreich

2/1987 Promotion to doctor of medicine (MD)
Grade: *summa cum laude*

3/1987-10/1987 Postdoctoral fellow at the Dept. Physiol. Chemistry, Univ. of
Wuerzburg, Medical School

Clinical Education

10/1987- 11/1995 Scientific Assistant (Assistenzarzt) at Medizinischen Poliklinik, Univ. of Würzburg, Medical School. Head of the Dept. of Clin. Chemistry and Laboratory Medicine.

Special Training:

10/1987 - 3/1989 *Immune-Hematology and Transfusion Medicine* at the Dept. of Transfusion Medicine, Blood Donor Service, University of Wuerzburg.

4/1989 - 10/1990 *Clinical Chemistry and Microbiology* at the Institute of Clinical Chemistry and Laboratory Medicine, Univ. Wuerzburg, Med. School.

11/1990 - 6/1991 *Internal Medicine (Oncology and Hematology)* at the Dept. of Hematology and Oncology, Med. Poliklinik, Univ. Wuerzburg, Med. School.

7/1991 - 12/1991 *Microbiology* at the Institute of Microbiology, Univ. of Wuerzburg, Medical School.

1/1992 - 12/1992 *Internal Medicine (Gastroenterology)* at the Dept. of Gastroenterology, Med. Poliklinik, Univ. Wuerzburg, Med. School.

Further Degrees

8/1993 Specialty degree (Facharzt) in *Laboratory Medicine*

11/1995 Habilitation (Dr. med. habil.) in *Laboratory Medicine and Clinical Biochemistry*

1/1996-12/1996 Guest professor at the Dept. Mol. Biology, University of Aarhus (DK)

since 1 /1997 Lecturer (Privatdozent) of the University of Würzburg, Med. School.

Since 10/2002 Full Professor of Clinical Chemistry and Laboratory Medicine and Director of the Institute of Clinical Chemistry and Laboratory Diagnostics at the Heinrich-Heine-University, Medical School, Moorenstraße 5, 40225 Düsseldorf.
